

My brother and I are ages 14 and 11. We listen to AIR 1 radio station. It plays music that we like and that my mom and dad let us listen to. If we didn't have AIR 1 to listen to, then we wouldn't be allowed to listen to other radio stations because our parents wouldn't let us. They don't agree with the music most stations play. We love AIR 1. Please don't take it off the air.

Thanks,

Tyler and Steven Rivas
